

To Whom It May Concern:

My name is Marcia Wright; I am a voter in Stamford.

Passing both S.B. 184 and H.B.5262 is vitally important to me because I am a senior citizen with health challenges, making me extremely vulnerable to potential health issues if I were to get COVID-19.

I believe voters should be able to vote by absentee ballot in 2022 as COVID-19 persists.

Please allow everyone who fears exposure to COVID-19 to vote by absentee ballot.

More than 650,000 Connecticut voters voted by absentee ballot in the 2020 Connecticut General Election; I was one of these voters. This led to record-breaking 80% voter turnout.

Please protect our essential freedom to vote and pass S.B.184 and H.B.5262.

Respectfully yours,
